In the event of the latter we shall have serious trouble, and there is no way of estimating the damage which must ensue. The levees, however, are being strengthened by an efficient force, and it is hoped that Helena will not be damaged by a current resulting from a break in the levee immediately protecting the city. The Fay-Templeton party, billed to appear here to-night, passed up today on the city of Vicksburg, absolutely refusing to stop on account of news from above and the (as they regarded it) dangerous outlook. During the thunder-storm this

A GENUINE WATERSPOUT was observed in the river north of the city, caused, it is supposed, by the lightning striking the water. The only damage done, however, was the partial paralysis of a boat milder at work on a flatboat in the vicinity of the thunderbolt. The Midland railroad train will probably discontinue running into the city after to-day, stopping at the junction about 3 miles out. This is due to the tween this city and the junction.

The following letters have been received. They speak for themselves. Something should be done to relieve this distress. There

LACONIA, ARK., February 21, 1882. Captain A. L. Cummins, Steamer Pean Adams The iniquities of the tariff are receiving a contribution in Memphis for the colored people of Laconia Circle. Many are now without anything to eat except the drowned very general condemnation.
